Total tax arrears on September 30, 2022, were \$951,921.60, which equals 4.47% of the 2022 Levy. The breakdown of tax arrears by year is noted above.

Last year at this time the tax arrears totalled \$879,808.00 which was 4.31% of the 2021 Levy.

There currently is property in the tax sale registration process.

We continue to encourage our ratepayers whose property tax accounts are in arrears to work toward lowering their arrears balance. We have been receiving positive response from some of the property owners, and some consistency in payments from them.

**Financial Impacts:**

Tax arrears impact cash flow therefore we do try to keep this amount as low as possible.
