1 Call to Order

Mayor Mitch Twolan called the meeting to order at 7:03 p.m.

2 . Disclosure of Pecuniary Interest

Mayor Twolan declared a pecuniary interest on an item in closed session. General nature is not required to be reported publicly for closed session.

3 . Delegations

3.1 Crawford Heritage , Huron-Kinloss Community Septic Inspection Program

Crawford Heritage addressed the Committee and explained that he has an aquareobic septic system that is under a maintenance contract and does not agree that his system should be included in the septic inspection program. He requested a refund of \$818 for the payments he has made to date for the program. He explained that an inspector came out and did not perform the actual inspection.

Council questioned if there are still considerations under the septic program for advanced systems.

The CBO explained the standard under the building code that the owner has the system inspected on an annual basis and that a report be submitted to the Township. The CBO confirmed that the Township does want to continue to get the system inspected in addition to receiving the reports from the service contracts.

Council encouraged Mr. Heritage to submit a request during budget deliberations letter regarding the septic re-inspection program.

Staff was directed to get clarification on the past inspection on Mr. Heritage's property.
