Recommendation:

That the Township of Huron-Kinloss Committee of the Whole hereby approves Report Number CS-2023-02-9 prepared by Mike Fair, Director of Community Services;

AND FURTHER authorizes a services agreement with Gord Dale to provide grass cutting services at Whitechurch Park for \$95.00 per cut.

Background:

The Township of Huron-Kinloss has contracted the grass cutting for Whitechurch Park due to the travel distance required for one park.

Discussion:

Gord Dale has been contracted for many years, and staff has not received any complaints. Mr. Dale has provided excellent service and resides in Whitechurch. Mr. Dale has provided the service for \$90.00 per cut and has requested an increase to \$95.00 per cut. Staff recommend that we continue with Mr. Dale's service at \$95.00 per cut.

Financial Impacts:

Grass cutting is included in the 2023 operating budget.

Strategic Alignment / Link:

We are an environmentally conscious community that are good stewards of our natural environment.

By using our resources wisely

By being aware and taking responsibility
