Building Health Care for Generations

Please describe below, the subject matter of the delegation.

The Foundation spoke to the previous council on December 6, 2021 about our "Building Health Care for Generations" campaign to raise funds for 2 exciting new Kincardine hospital projects: (i) a new CT, and (ii) a major redevelopment & expansion of the hospital. Our campaign goal then was \$12M and the Foundation requested that the Township contribute \$600K over a 4-year period. The previous council supported the request in part for this fiscal year only, since it could not bind the new council for the remaining 3 years of our request. We would like to review our request with the new council and update the council on our campaign, including the effect of the MOH announcement that it would provide operational funding for an MRI in Kincardine.
