

**Lakeshore Environmental Budget – 2023 - Operating**

Project Name	Project Description	Alignment to Strategic Plan
Algae Harvesting / Beach Clean-up Included in the operating budget \$30 000 included in the operating budget	This operating budget includes scheduled contracted services for Algae harvesting by Snobelen Ag Services along the lakeshore and a dumpster bin located at the Point Clark Lighthouse parking lot for debris from the algae harvester. No major changes to this operating budget are expected.	We are an environmentally conscious community that are good stewards of our natural environment. By protecting our natural assets By being aware and taking responsibility

**Lakeshore Environmental Budget – 2023 – Capital**

Project Name	Project Description	Alignment to Strategic Plan
Shoreline Protection	Staff have been monitoring the Boiler Beach shoreline for increased erosion. Staff would like to keep Council apprised that if Lake Levels rise again, then some armour wall revetment at the north end of Boiler Beach may be required in the future.
