TO: Conservation authorities as listed in the Attachment A "Minister's Direction to

Not Change Fees"

SUBJECT: Minister's direction for conservation authorities regarding fee changes

associated with planning, development and permitting fees

In support of Ontario's Housing Supply Action Plan: 2022-2023, the province made a series of legislative changes through the *More Homes Built Faster Act, 2022* (Bill 23) to help achieve the goal of building 1.5 million homes over the next 10 years. These changes accelerate housing development approvals while continuing to protect Ontario families, communities, and critical resources. A number of these changes affect conservation authorities and are intended to support faster and less costly approvals, streamline conservation authority processes, and help make land suitable for housing available for development.

To this end, pursuant to subsection 21.3 (1) of the *Conservation Authorities Act*, which is in effect January 1, 2023, I am issuing a Minister's Direction ("Direction"), attached to this letter as Attachment "A". Subsection 21.3 (1) provides that the "Minister may give a written direction to an authority directing it not to change the amount of any fee it charges under subsection 21.2 (10), in respect of a program or service set out in the list referred to in subsection 21.2 (2), for the period specified in the direction."

The purpose of this Direction, which is effective from January 1, 2023 to December 31, 2023, is to require a conservation authority not to change the amount of the fee it charges or the manner in which it determines the fee for any program or service that may be provided by the conservation authority. This relates to reviewing and commenting on planning and development related proposals or land use planning policies, or for permits issued by conservation authorities. For greater certainty, the "Prescribed Acts – subsections 21.1.1 (1.1) and 21.1.2 (1.1) of the Act" regulation (O. Reg. 596/22), effective January 1, 2023, prohibits a CA from providing a municipal (Category 2) or other (Category 3) program or service related to reviewing and commenting on a proposal, application, or other matter

made under prescribed Acts. This regulation therefore precludes the charging of a fee by a conservation authority for these specific programs or services provided under subsections 21.1.1 (1) or 21.1.2 (1.1) of the *Conservation Authorities Act*.

The conservation authorities listed in Appendix A of the Direction are encouraged to make the Direction publicly available on the Governance section of their websites.

Pursuant to subsection 21.2 (3) of the Act, I am also re-distributing the Minister's list of classes and programs and services in respect of which conservation authorities may charge a fee along with this Direction, with editorial changes to reflect the recent legislative and regulatory changes.

If you have any questions, please contact Jennifer Keyes, Director, Resources Planning and Development Policy Branch, at Jennifer.Keyes@ontario.ca or 705-761-4831.

If it is in the public interest to do so, I will provide further direction or clarification at a later date related to the matters set out in this Direction.

Sincerely,

The Stuf

The Honourable Graydon Smith Minister of Natural Resources and Forestry

c: The Honourable Steve Clark, Minister of Municipal Affairs and Housing
The Honourable David Piccini, Minister of the Environment, Conservation and Parks

Minister's Direction Issued Pursuant to Section 21.3 of the *Conservation Authorities*Act (this "Direction")

WHEREAS section 21.2 of the *Conservation Authorities Act*, in effect on January 1, 2023, permits a Conservation Authority to charge a fee for a program or service if the program or service is included in the Minister's list of classes of programs and services in respect of which a Conservation Authority may charge a fee;

AND WHEREAS subsections 21.2 (6) and 21.2 (7) of the *Conservation Authorities Act* provide that a Conservation Authority shall adopt a written fee policy that includes a fee schedule listing the programs and services that it provides in respect of which it charges a fee, and the amount of the fee charged for each program or service or the manner in which the fee is determined (a "**Fee Schedule**");

AND WHEREAS subsection 21.2 (10) of the *Conservation Authorities Act* provides that a Conservation Authority may make a change to the list of fees set out in the fee schedule or to the amount of any fee or the manner in which a fee is determined, provided the authority shall give notice of the proposed change to the public in a manner it considers appropriate;

AND WHEREAS section 21.3 of the *Conservation Authorities Act* provides the Minister with the authority to give a written direction to an authority directing it not to change the amount of any fee it charges under subsection 21.2 (10), in respect of a program or service set out in the list referred to in subsection 21.2 (2), for the period specified in the direction;
