**RE: Rehabilitation of Bell Bridge H38
on Lake Range Drive**

Two tenders were received on Friday, March 10, 2023 for the Rehabilitation of Bell Bridge H38 on Lake Range Drive as summarized by the following table:

Tenderer	Tendered Amount
AJN Builders Inc.	\$1,073,709.05
McLean Taylor Construction Limited	\$1,160,496.56

Both tenders were checked and found to be mathematically correct, they were properly signed and each was submitted with the specified tender deposit and Agreement to Bond.

Since the project awaits approval from the SVCA , a definitive start date has not been established.

Since the lowest tender is acceptable contractually, and the tenderer is experienced in bridge repairs further analysis is limited to the lowest bid. We are not aware of any reason why the contract should not be awarded to AJN Builders Inc. for the total tender sum of \$1,073,709.05.

Please retain the tender deposit from the bidder until the contracts are formally signed.

Should you have any questions, please contact the undersigned.

Yours very truly,

B. M. ROSS AND ASSOCIATES LIMITED
