## NOTICE - Paisley Bridge Alternate Truck Routes temporarily change due to Weight/Load Restrictions

Please take notice that the Easterly Alternate Truck Route (ATR), associated with the Paisley Bridge Construction Project, is changing temporarily due to the half-load restrictions on Bruce Road 40, starting on Friday, February 17, 2023 at 6:00 PM.

February 15, 2023

Please take notice that the Easterly Alternate Truck Route (ATR), associated with the Paisley Bridge Construction Project, is changing temporarily due to the half-load restrictions on Bruce Road 40, starting on Friday, February 17, 2023 at 6:00 PM.

Trucks will be rerouted to Bruce Road 17 until the half-load restrictions are lifted. See the [Revised Alternate Truck Route Map](#).

Alternate Truck Routes have been established for the Teeswater River Bridge replacement project, located on Bruce Road 3 in Paisley, Ontario, and signage is in place. Businesses using large trucks for shipments and deliveries are encouraged to make alternative route plans to avoid the in-town detour. View the Alternate Truck Route Map at

[www.brucecounty.on.ca/paisleybridge](http://www.brucecounty.on.ca/paisleybridge).

Thank you for your patience and understanding as we complete this important infrastructure work in Bruce County. Stay tuned for ongoing updates throughout this construction project on the Bruce County website newsfeed and social media channels.

Effective Friday, February 17, 2023 at 6:00 PM, Bruce County Transportation & Environment Services Department will place weight/load restrictions of 5 tonne per single axle on several County roads until further notice. Please refer to the [Weight/Load Restrictions Map](#) to verify the impacted Bruce County roads. With the warmer conditions in recent weeks, Bruce County staff have implemented road weight/load restrictions to protect the integrity of our road infrastructure. During Spring thaw, roads are susceptible to damage and the reduction of axle-weights helps preserve the life span of Bruce County roads. For up-to-date Road Weight/Load Restriction information call 519-881-1291 or visit the [County Website](#).
