

## Bruce Road 6 East A Pre-Construction Information Session on April 26, 2023

In 2023, Bruce County will be proceeding with Phase 1 of the Bruce Road 6 East A road reconstruction from Mildmay to just east of Deemerton, along with the rehabilitation of the Carrick Creek Bridge. As part of this project, Sideroad 20 N south of Bruce Road 6 is also being reconstructed by the Municipality of South Bruce.

April 05, 2023

In 2023, Bruce County will be proceeding with Phase 1 of the Bruce Road 6 East A road reconstruction from Mildmay to just east of Deemerton, along with the rehabilitation of the Carrick Creek Bridge. As part of this project, Sideroad 20 N south of Bruce Road 6 is also being reconstructed by the Municipality of South Bruce.

Residents are invited to attend Pre-Construction Information Session on Wednesday, April 26, 2023 at the Mildmay-Carrick Recreation Complex (24 Vincent Street, Mildmay, ON). This Information Session will take place from 5:30 PM to 7:00 PM with a brief presentation at 6:00 PM.

E.C. King Contracting was the successful contractor and will be completing the construction work. BT Engineering Inc. (BTE) will administer the construction contract on behalf of Bruce County.

**Construction Staging and Road Closures:**

Phase 1 is tentatively scheduled for construction from May to November 2023. The work includes replacement of the road crossing and driveway culverts, full road reconstruction including grade changes and new asphalt paving. The planned reconstruction includes partially paved shoulders and guiderail in several locations. Adjacent residents will be notified in advance of impacts to their driveways or field entrances. The Contractor will arrange for garbage and recycling pickup during construction. The rehabilitation of the Carrick Bridge will involve periods of full bridge closure.

During construction, Bruce Road 6 East A will be closed to through traffic. Local access and emergency services to properties will be maintained at all times from one direction. Signage will be installed indicating alternative routes.

**Additional Information:**

The County, BTE and E.C. King Contracting will provide updates as the reconstruction project progresses. There will be a brief presentation at the Pre-Construction Meeting to provide an overview of the project. There will also be a series of exhibits at the meeting showing the planned construction works.

Additional information will also be available on the County's website, described below. Questions on the information presented can be directed to the County or BTE at the email addresses listed below.

**The Residents Pre-Construction Meeting is scheduled for:**
