Minister Jones;

I am writing to you today regarding urgent and deeply-concerning challenges in medical care in the Municipality of Huron Shores and surrounding areas.

Over the past week, the Emergency Department at North Shore Health Network – Thessalon Site has been shut down four times due to a lack of available physicians. This is especially concerning as we have no primary care physicians in the four practices at two medical clinics that help service this site and catchment area. We currently rely on locum coverage.

Your Ministry recently decided to cancel the CTSLEPE funding, a key tool in attracting the locums who have helped keep our Emergency Department open for the last two years. The removal of this program, with no replacement, has made the arduous task of attracting locums even more challenging.

As well, the RNPGEA contract that our primary care physicians work under needs a major overhaul. It is no longer relevant, and acts as an impediment to attracting doctors to practice in the North, particularly in our small medical clinics that serve thousands of patients. This is as significant an issue as the discontinuation of the CTSLEPE funding. Under a different contract, the neighboring practices in Blind River have full complements, including physicians who live in our Municipality. While we appreciate efforts like adding 30 undergraduate positions at NOSM, these are potential long-term fixes that do not address the current crisis.

The daily closures I mentioned are not the only ones we will face at the Thessalon Site over the next few months. As you can appreciate, any Emergency Department closure puts patients at risk, particularly as the next nearest sites are significant distances away. We call on you and your government to engage with stakeholders in the North and provide the tools necessary to keep our Emergency Department open, and to attract physicians to the practices currently sitting empty.

Northern Ontario residents deserve quality local medical care.

Regards,

Matthew Seabrook, Mayor  
Municipality of Huron Shores
