Prepared By: Jennifer White, Manager of Legislative Services/Clerk

Department: Legislative Services

Date: Oct. 2, 2023

Report Number: CLK-2023-10-59

File Number: C11 CLK 23

Attachments: nominations for representative on source protection committee

Recommendation:

THAT the Township of Huron-Kinloss Committee of the Whole receive for information Report No. CLK-2023-10 – 59, prepared by Jennifer White, Manager of Legislative Services/Clerk;

AND FURTHER authorizes Staff to put forward for selection as a representative of the Saugeen, Grey Sauble, Northern Bruce Peninsula Source Protection Region, the names of interested members of Council who provide the required information by the deadline.

Background:

The Township of Huron-Kinloss is a member of the Municipal Grouping 2 for the Saugeen, Grey Sauble, Northern Bruce Peninsula Source Protection Region. This grouping includes Huron-Kinloss, Saugeen Shores, Kincardine, South Bruce, Morris-Turnberry and Howick. One representative is appointed in accordance with Ontario Regulation 288/07 s.3. The previous appointee Mitch Twolen's term has ended and there is a vacancy in the position.

Discussion:

The attached notice of nominations for representative on source protection committee includes the expectations and obligations for the representative of the Source Protection Committee.

The municipalities which form Grouping 2 jointly submit a list of names to the Source Protection Authority for consideration. There may be multiple names put

forward, from which the local Source Protection Management Committee will select a name for appointment.

Interested candidates should inform the Clerk and provide a one-page biography to be included as part of the selection process. The respective municipalities will put forth the list of names for selection by October 13th as required.

Financial Impacts:

Council members are eligible for the per diems for attending committee meetings set out in the council remuneration by-law.

Strategic Alignment / Link:

We are an environmentally conscious community that are good stewards of our natural environment: By protecting our natural assets; By using our resources wisely; By being aware and taking responsibility.
