

# TOWNSHIP OF HURON-KINLOSS

## NOTICE OF PUBLIC INFORMATION CENTRE

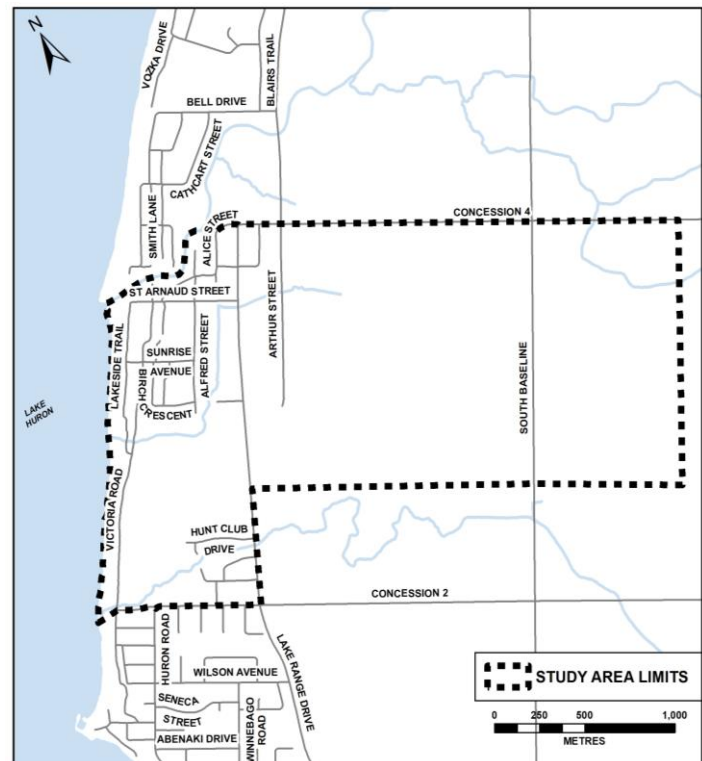

### STORMWATER SERVICING MASTER PLAN NORTHERN POINT CLARK

## PUBLIC INFORMATION CENTRE

The Township of Huron-Kinloss is developing a Stormwater Servicing Master Plan for established and future development areas in the northern part of Point Clark, as shown on the attached key plan. The stormwater servicing review is being undertaken in order to inventory and evaluate existing drainage infrastructure within the community and to investigate the most cost effective and efficient manner to provide improved drainage infrastructure within the Point Clark study area.

### PUBLIC MEETING:

A Public information session is planned to present details of the Master Plan study investigations completed to date and provide preliminary recommendations to study area residents in order to obtain their feedback. A presentation (with audio track) will be posted on the Township website at [www.huronkinloss.com](http://www.huronkinloss.com) as of October 21, 2023 to allow residents an opportunity to review project information in advance of the public meeting. Representatives from the Township of Huron-Kinloss and the project engineers, will be present at the meeting to answer questions. If unable to attend in person, residents can submit questions in advance to the project team to be considered during the meeting.
