Ripley, On  
N0G 2R0

Members of Council,

I am writing to you as the Grounds Co-Chair of Lucknow's Music in the Fields.

I am requesting an exemption of the building permit fees that have been levied for the erection of 3 tents for our event Aug 22-24, 2024 in the amount of \$300.

As you all know, Music in the Fields is a function of the Lucknow Kinsmen. We are a completely volunteer run charitable organization. Since our start in 2009 we have raised millions of dollars. A very large portion of this money has stayed right here in our community supporting our hospitals, school programs, sports facilities, and many too numerous to mention. We also strive to and hope we are instilling a sense of pride in our youth and as a result, raise another generation of volunteers and leaders in our community.

Please consider my request on behalf of the Lucknow Kinsmen and Lucknow's Music in the Fields.

Thank you for your time,

Chris Irwin

Grounds Co-Chair LMITF
