Recommendation:

THAT the Township of Huron-Kinloss Committee of the Whole hereby receives for Report Number FIR-2025-03 prepared by Jeff Bradley, Fire Chief;

AND declares surplus Fire Department 2008 E one Typhoon Fire Pumper;

AND FURTHER authorizes the sale of the Pumper.

Background:

The Township of Huron-Kinloss has in effect a Surplus Equipment policy that allows council to authorize the sale of surplus equipment in accordance with the policy direction.

Discussion/Analysis/Overview:

In accordance with the NFPA standard of 15-years for frontline apparatus, the 2008 E one Typhoon Ripley pumper has been replaced. As the new apparatus is now in-service, we are looking to surplus the apparatus 2008 E one Typhoon while it remains in good condition. As it is still MTO certified for 2025, it is ready for immediate use and has value as a back-up pumper for any fire department or emergency services organization or for a commercial or agricultural application.

Following surplus Equipment Policy valued over \$500.00, sale of apparatus will be made through Govdeals.

Financial Impacts:

Anticipated Revenue Generated from the sale of these surplus assets:

\$30,000.00 to 75,000.00

Performance Measurement:
