To Whom it May Concern,

Re: Proposed U.S. tariffs on Canadian Goods

Please note at their Regular meeting held on February 5, 2025, Peterborough County Council passed the following resolution:

Resolution No. 19-2025

Moved by Deputy Warden Senis
Seconded by Warden Clark

Whereas the federal government is currently in negotiations with the U.S. government on their proposed 25% tariffs on Canadian goods exported to the U.S.; and

Whereas Premier Doug Ford has outlined several plans to combat the impact the proposed tariffs would have on Ontario including Fortress Am-Can which focus on strengthening trade between Ontario and the U.S. while bringing good jobs back home for workers on both sides of the border; and

Whereas the federal government has also outlined several ways to address the current relationship with the U.S. including establishing the Council on Canada-U.S. relations to support the federal government as it negotiates with the U.S on tariffs; and

Whereas trade between Ontario and the United States is very important to our residents and local economies and requires all levels of government to work together in the best interest of those residents; and

Whereas according to data from the Association of Municipalities of Ontario, across Ontario municipalities are expected to spend between \$250 and \$290 billion on infrastructure in the next 10 years; and

Whereas municipalities have traditionally treated all procurements from trade partners equally and fairly; and

Whereas municipalities can assist in the Team Canada effort to combat tariffs and support businesses in our procurement for capital and infrastructure programs; and

Whereas there are trade barriers between Canadian provinces.

Therefore, be it resolved that, the County of Peterborough supports the provincial and federal governments on the measures they have put in place in response to the proposed U.S. tariffs on Canadian goods and ask that they take any and all measures to protect the interests of Ontario in any upcoming trade negotiations;

And that federal and provincial governments remove any impediments to municipalities preferring Canadian companies and services for capital projects and other supplies;

And that the provincial and federal governments take action to remove trade barriers between provinces as a response to US tariffs and support Canadian businesses.

And that the CAO be directed to bring back a report detailing a temporary purchasing policy that integrates and addresses these concerns;

And that County Economic Development & Tourism Division be directed to implement a “Buy Local Peterborough County, Buy Canadian” campaign to encourage residents and businesses to purchase locally made and Canadian goods and services.

Be it further resolved, that copies of this motion be sent to:
