Dear Council,

Re: Request to Fly the Ripley Reunion Flag with Extended Display Period

I am writing on behalf of the Ripley Reunion Committee to formally request permission to raise the Ripley Reunion flag on the community flagpole, beginning **July 7th and continuing through August 5th, 2025**. We are also requesting an exemption to the standard one-week display rule to accommodate this timeframe.

The Ripley Reunion is a cherished community tradition that brings together current and former residents to celebrate our shared history, values, and connections. This year's event holds particular significance, and flying the Ripley Reunion flag for the full month will help build anticipation, promote participation, and foster a strong sense of unity and local pride.

We fully understand and respect the usual flag display guidelines set by the council, and we believe this request aligns with the spirit of community engagement these policies are meant to uphold. We will ensure the flag is appropriately maintained throughout the requested period.

We appreciate your consideration of this request and would be happy to provide any further details or meet with a council representative to discuss it further. Thank you for your support of local traditions and community spirit.

Yours sincerely,

Sarah Phelan

On behalf of the Ripley Reunion Committee
