Dear Clerks,

On June 5, 2025, Bruce County Council received a report detailing the County's investment in services across each local municipality. This report provides a benchmark comparison of Bruce County against similar municipalities and outlines the County's investments in each local community by operational service area.

Enclosed with this letter, you will find a copy of the full report and a local snapshot of the County's investment specific to your community. We are providing this as communication to your Council.

An overview of the Investment in Local Services report will be presented at the Bruce County Municipal Forum on July 10 in the Town of Saugeen Shores. All members of local Bruce County municipalities are invited to attend to receive an update and address any questions members of Council may have.

Regards,
