Dear Mayor and Council Members,

Re: Request for Grant Support for Tent Permit Costs – 2025 Lucknow Fall Fair

On behalf of the Lucknow Agricultural Society, I am writing to respectfully request the support of the Municipality of Huron-Kinloss in the form of a grant to cover the cost of tent permits required for the 2025 Lucknow Fall Fair, taking place from September 19 to 21, 2025.

The Lucknow Fall Fair is a long-standing tradition in our community that brings together residents and visitors for a celebration of agriculture, heritage, and community spirit. This year's event promises to be an exciting weekend for families, local businesses, and participants of all ages.

As we continue to navigate rising event costs, the Society is working hard to ensure the fair remains accessible to all. This year, in an effort to reduce costs for attendees, we are pleased to announce free admission on Friday, September 19th, while maintaining free admission on Sunday, September 21st. We hope this initiative will encourage greater community participation and ease the financial burden on families.

The permit fees for temporary tents are a necessary but a significant expense, and we would greatly appreciate the municipality's assistance in alleviating this financial burden.

We would be happy to provide any further details or documentation you may require and are open to presenting on the success of the event at a future Council meeting if needed.

Thank you for your time and for your continued support.

Sincerely,

Emily Morrison
On behalf of the Lucknow Agricultural Society
