February 2, 2021

Dear Ms. Harris,

**RE: Styrofoam Recycling**

Your letter regarding Styrofoam Recycling was presented to Council at the February 1, 2021 meeting.

The Township of Huron-Kinloss agrees the Styrofoam Recycling or also known as expanded polystyrene (EPS) is very important piece in continuing to increase our recycling program.

The Director of Public Works has included an EPS recycling program for Huron-Kinloss in his proposed 2021 budget which will be considered by Council at their budget meeting on February 26, 2021.

Thank-you for reaching out and bringing forward support of an EPS recycling program for the Township of Huron-Kinloss.

Sincerely,

Emily Dance, CMO  
Clerk
