RE: Whitechurch Hall

As a member of the Whitechurch Community I am writing to notify you of the difficult decision to demolish the Whitechurch Community Hall.

Unfortunately, due to the changing times and demographics the Whitechurch Hall Board has seen a steady decline in hall rentals. Major renovations are required to bring the building to a condition that could generate rentals and much needed funds to operate the hall.

As a result, the Whitechurch Hall Board members submitted a letter to the Township of Huron-Kinloss Council at their November 2, 2020 meeting requesting the removal of the hall.

The Board has indicated that following demolition they would like to see the area rehabilitated and that a memorial plaque be installed to commemorate the many years the hall has been a part of the Whitechurch Community.

If you have any suggestions or ideas to bring forward for consideration for this project, please forward them by December 31, 2020. to mfair@huronkinloss.com or by calling (519) 395-2909 x 151

Sincerely,

Mike Fair, Director of Community Services
Township of Huron-Kinloss
