f. assist with hiring of the consultant for the third party review process.

Discussion:

In January 2020, the NWMO announced they had secured the sufficient amount of land in Municipality of South Bruce to continue studies for the DGR. This announcement meant that the Township of Huron-Kinloss was removed from the site-selection process and no longer considered a host community for the project.

In recent discussions with the NWMO Partnership Working Group and the Mayor & Deputy Mayor we are recommending that the NWCAC be dissolved.

We would like to thank the Committee members for their commitment and hard work over the past seven years.

Financial Impacts:

None at this time
