Bruce County EarlyOn Child and Family Centres Prepare for Re-Opening

Bruce County, Ontario: The Province of Ontario has announced a plan to reopen EarlyON Child and Family Centres (EarlyON) beginning in September. Although site locations are not yet open, Bruce County's EarlyON team is engaging with public health and school boards to prepare for a safe re-opening.

Bruce County EarlyON Early Childhood Educators continue to actively support caregivers and their children ages 0-6 through virtual programming activities that enhance developmental health and well-being. EarlyON Child and Family Centres offer programs to help strengthen adult-child relationships, support parent education and foster healthy child development. Families can also reach out to Bruce County's EarlyON Educators if they have any questions regarding child development and activities for their child.

Go to Facebook to learn more about EarlyOn and catch the engaging posts including group time experiences, story times, DIY activities, and more!

Families are encouraged to visit the [Bruce County website](https://www.brucecounty.on.ca) and Bruce County EarlyON Facebook sites for more information regarding re-opening dates.

Bruce County EarlyON Educators are excited to get back into their sites to continue making connections, building relationships, and learning together!
