

February 8, 2021

To the Mayor and Council
Township of Huron-Kinloss
21 Queen St
Ripley, ON N0G 2R0

Dear Mayor Twolan and the Council of the Township:

First, 2021 is the 75th anniversary year for the Point Clark Beach Association. We have several events that we are currently in planning stages for the community to help celebrate this important milestone, and we appreciate the help the Township has been providing.

It has been noted to us that the Township currently is not planning to continue the yard waste program at the Point Clark Community Centre. After a survey of our membership recently taken, it has become obvious that this was a program well appreciated and well used by the community in 2020 and is highly recommended by the citizens of Point Clark to continue in 2021.

On behalf of the PCBA Board and Association, we request the Township reconsider the cutting of this program and reinstate it for 2021. This will be of value to all homeowners in the Point Clark area particularly in light of the cleanup from storm events late last year.

Thank you very much for your consideration,

Sincerely,

A handwritten signature in blue ink that reads "John Harper". The signature is fluid and cursive, with a long horizontal stroke extending from the end.

JOHN HARPER
Vice President and Government Liaison
Point Clark Beach Association
