

Staff Report

Report Title: Water Wastewater

Prepared By: John Yungblut, Director of Public Works

Department: Public Works

Date: Sep. 9, 2020

Report Number: PW-2020-09-54

File Number: P250/P750 Reports

Attachments: Monthly Water & Wastewater Summary

Recommendation:

That the Township of Huron-Kinloss Committee of the Whole hereby approves Report Number PW2020-09-54 as prepared by John Yungblut, Director of Public Works.

Background:

Ripley Elevated Tank

Construction has been completed. Township staff have been working with our Operating Authority, Veolia Canada, to bring the two wells at this site online.

Water & Wastewater Summary

Veolia Water Canada prepared a summary of water and wastewater operations since the previous report.

Discussion:

Water & Wastewater Summary

Attached is the Monthly Water & Wastewater Summary as prepared by Veolia Water Canada.

Ripley Elevated Tank

The new wells known as Well 3 and Well 4 were incorporated into the Ripley water system on Aug. 5, 2020. No significant issues were encountered during this process.

The original two wells (Well 1 and Well 2) are still incorporated into the system, however Well 1 is planned for abandonment in the future.

Financial Impacts:

There are no financial impacts associated with this report.

Strategic Alignment / Link:

We are an environmentally conscious community that are good stewards of our natural resources by being aware and taking responsibility.

Respectfully Submitted By:

John Yungblut, C.E.T., Director of Public Works
