**Subject:** Closure of the Ontario Fire College  
**Date:** Monday, February 1, 2021 3:57:15 PM

---

Dear Municipal Leaders:

We are writing to you regarding the province's announcement on January 13, 2021, of the impending closure of the Gravenhurst campus of the Ontario Fire College on March 31, 2021.

We know that at least two of the three associations quoted in the Ontario Government's press release were not informed that the government would close the Ontario Fire College in Gravenhurst!

The Ontario Government says its plan to modernize and regionalize fire service training will be more cost-effective and accessible to municipalities. Yet, the government has not shared a plan showing how these changes will provide training of equal value in a more cost-effective and accessible manner for municipalities across Ontario.

The province's regionalization model currently has Memorandums of Understanding (MOUs) with a mixed bag of 20 "Regional Training Centres" (RTCs) located in various parts of Ontario. The municipalities' cost to send one firefighter to an RTC range between \$300 and \$1,200 for the course alone. This cost does not include accommodations or meals.

The Gravenhurst campus of the Ontario Fire College has modern facilities and equipment where subject matter experts provide training in all fire service disciplines. The cost is \$65 for a municipality to send one firefighter to the college. That cost includes onsite accommodations and three meals a day. In shifting firefighter training to RTCs, the price for training our firefighters will shift to your municipality's taxpayers. If the government revives [O. Reg 379/18](#) (firefighter certification) while shuttering the college, the growth in training demand and cost will be significant.

The Fire Protection and Prevention Act, 1997, as amended, requires the fire marshal to "develop training programs and evaluation systems for persons involved in the provision of fire protection services." It also stipulates the fire marshal must "provide programs to improve practices relating to fire protection services" and "maintain and operate a central fire college."

As municipal leaders, would you prefer an affordable, cost-effective training model that keeps students in one location with up-to-date, technically accurate training facilities led by subject matter experts? Or a more expensive training model in multiple facilities that cannot match what the Ontario Fire College provides?

Please stand with us against this ill-conceived closure of the Ontario Fire College and the government's undefined plan. Let's keep your firefighters and community safe by keeping the ONLY provincial fire training facility in Ontario open. As municipal councils, we ask that you send a strong letter of rejection of this plan to your local Member of Provincial Parliament and lobby the Doug Ford government to reverse its decision.

Thank you for your consideration. If you have any questions or a need for further information please let us know.

Regards,

Chris McConnell  
President, OPSEU Local 317

MOVED BY: JOANNE BOUCHER DATE: February 1, 2021

SECONDED BY: DAVID FURBER MOTION NO.: 21- 013

WHEREAS the province wants to mandate training levels for Fire Fighters and now wishes to close the Ontario Fire College located in Gravenhurst, Ontario which has been used for many Government agencies such as Ministry of Transportation, Ontario Provincial Police, Fire Fighters, both full time and volunteer; and

WHEREAS only a small percentage of our department has any formal training and are responsible to train junior fire fighters with the minimal training we receive; and

WHEREAS as volunteers, we are on call 24/7/365 with day jobs and families that expect us to come home safely each and every time; and

WHEREAS the Fire College makes top tier training accessible to all Fire Departments in Ontario; and

WHEREAS municipalities are mandated to have fire departments, yet there is no provincial or federal funding for volunteer fire departments for much needed equipment and training; and

WHEREAS without a plan in place it is irresponsible to close down a vital training centre that serves Ontario and it would put Municipalities at risk which is shortsighted and not acceptable.

**NOW THEREFORE BE IT RESOLVED THAT:** The Corporation of the Township of Baldwin requests the Province of Ontario to reconsider closing this all-important facility for dollars over lives.

Dear Mr. Smith:

**Re: Closure of the Ontario Fire College in Gravenhurst**

The Township of Tiny Council recently reviewed correspondence dated January 14, 2021, from the Office of the Fire Marshal regarding the pending closure of the Ontario Fire College in Gravenhurst, Ontario.

The Ontario Fire College provided fire service training to hundreds of municipal fire departments, like ours, who do not have the capacity or resources to provide their own in-house training for specialized programs.

Should the Office of the Fire Marshal continue to develop fire fighter training curriculum, municipalities will now bear the cost for its use and delivery. The alternative use of Regional Training Centres, for specialized training, will be at a significant cost to municipal fire departments, including room and boarding expenses.

With the closure of the Ontario Fire College and the lack of provincial or federal funding for volunteer fire departments for much needed training, it puts municipalities at risk.

We ask that reconsideration be given to the closure of the Ontario Fire College, at the very least, until a plan is in place to support municipalities with the resources and funding that is required to adequately train and support its fire fighters.
