As COVID-19 continues to impact our organizations and our communities, we would like to provide an opportunity to share information and/or exchange ideas with our community partners. The purpose of this meeting will be to share information leading to further discussions regarding potential partnership opportunities. In addition, if you would like to share relevant planning information, including but not limited to, population projections, growth plans, community needs, land-use and green space/park requirements, please forward your presentation and/or videos to **Sam Goving, Marketing and Training Manager** by email to [Sam\\_Goving@bgcdsb.org](mailto:Sam_Goving@bgcdsb.org) by Wednesday, May 5, 2021. Time will be provided on the agenda to highlight your information, if you so choose.

To assist us in preparing for this meeting we would greatly appreciate your participation in our [ThoughtExchange](#) where ideas and/or thoughts can be captured to assist in identifying items and ideas that we can focus on as partners to maintain a strong, vibrant, sustainable publicly funded education system. This survey will be open until Wednesday, May 5, 2021 and ideas/themes generated will be shared at the meeting.
