Recommendation:

THAT the Township of Huron-Kinloss Committee of the Whole hereby approves Report Number PW2021-05-34 prepared by John Yungblut, Director of Public Works AND accepts the tender from Elliott Fence Inc. in the amount of \$128,385.00 plus HST for the construction of chain link fencing at the Huron Landfill AND FURTHER authorizes the appropriate by-law coming forward.

Background:

Township staff issued tender PW2021-04-15 for the construction of a chain link fence along the north boundary of the Huron Landfill. The purpose the fencing is to prevent litter from migrating off site and deter trespassing onto the site. This project was tendered in 2020, however the bid submitted exceeded the amount budgeted, so it was not awarded.

Discussion:

Three compliant bid submissions were received:

Bidder	Tender Amount (not incl. HST)
Elliott Fence Inc.	\$128,385.00
Royal Fence Limited	\$144,460.00
BalPro Construction	\$159,821.00

Elliott Fence has constructed fencing for the Township for many years and staff have no concerns with awarding this tender to them.

Financial Impacts:

The 2021 Capital Budget allocated \$150,000 for this project. When factoring in non-recoverable HST, the low bid amount is \$130,644.58.

Strategic Alignment / Link:

We are a prosperous community that continues to grow in a sustainable manner by investing in infrastructure.
