- Early in the New Year of 2020 we experienced the success of the Human Trafficking Community Awareness Sessions. Huron-Kinloss' was hosted in Lucknow. Overall approximately 300 community members across South Bruce benefitted from these sessions and we continue to receive positive feedback and requests for further presentations.
- The second year of the Community Safety and Policing grant for Human Trafficking and Sexual Violence was focused on Youth. We continue to work with the Catholic District School Board and the Bluewater District School Board in the hopes of having a session included in their curriculum.

# DETACHMENT UPDATES

- In March 2020, COVID 19 changed everyone's world and policing was no different. Our officers are fully equipped with Personal Protective Equipment and we have implemented procedures both in and outside of our workplaces to ensure the safety of our officers and the public.
- We have worked closely with the Township of Huron-Kinloss' ECG attending their meetings and working through mutual challenges.

# DETACHMENT UPDATES

- Our officers have responded to 53 COVID 19 related calls for service since March in the Township of Huron-Kinloss . These calls usually entail people looking for advice on the restrictions or reporting people for not abiding by the regulations.
- Our approach to the enforcement of the Emergency Management and Civil Protection Act and Re-Opening of Ontario Act is very measured and our officers conduct a lot of education on the restrictions. We have found most people are compliant and we have not laid any charges under the Act.
- The court was shut down until September but has now resumed mostly in a virtual fashion.

# DETACHMENT UPDATES

- Our School Resource Officer (SRO) had to shift gears due to Covid 19 as well.
- Despite the school closure, she has obtained OPP Youth Foundation Funding for 8 students providing support from winter clothing to financial assistance for extra curricular activities.
- Lockdown drills and planning went ahead in September for all schools.
- Presentations have been created for an on-line format and 15 of them have been provided for at home students on Internet Safety/Consent. They have been very well received by the students.
- 4 Youth have been diverted from the court system through the involvement of our SRO.

# DETACHMENT UPDATES

- The Transfer of Care Protocol was signed between all Grey-Bruce Municipal Police Services, the Grey-Bruce OPP and the three Hospital groups in Grey-Bruce. This Protocol ensures a consistent and smooth transition of Mental Health patients from police to hospital staff improving outcomes for individuals apprehended by police under the Mental Health Act.
- The Community Safety and Well Being plan (CSWBP) has been completed. We are excited to be involved in the creation and implementation of the strategies to address the top risk factors identified in Grey-Bruce. We are very hopeful that together we will be able to address those risks and mitigate the underlying social issues that contribute to Crime.
