Re: Bruce County Transportation Master Plan

Dear Mayor Twolan,

We are sending this letter to all Bruce County Councilors to let you know that Saugeen Mobility and Regional Transit (SMART) remains ready and willing to be a part of the public transportation solution in Bruce County. We ask that you keep SMART in mind as you review and consider the transportation master plan that is currently underway.

We encourage you to contact us with any questions you may have as you consider this important initiative.

Best regards,

Councillor Warren Dickert (Hanover)
