Dear Taralyn

Thank You

On behalf of the members of the Rotary Club of Owen Sound, I would like to thank you for recently taking time from your busy schedule to speak to us about the Point Clark Lighthouse and its past and present as a national historic site. For many of us this will now be a day trip destination post COVID. Very informative and thoroughly enjoyed learning more about this piece of Lake Huron history.

As a thank you, our club, on behalf of each of our guest speakers, makes a donation to the Owen Sound Library in support of their children's literacy program.

Thank you again for your excellent presentation.

Rob Dors

Past President Owen Sound Rotary Club
