September 3, 2021

Attention: **Municipal Clerk**
County of Huron-Kinloss

Subject: **Will Davey**
Winner – 2021 Municipal Engineers Association Bursary Program

The Municipal Engineers Association (MEA) is a non-profit association representing the interests of municipal engineers in Ontario who are employed as professional engineers at Ontario Municipalities and other provincial agencies serving in the Engineering/Public Works field. The MEA values the contribution of all municipal employees, is committed to the continued technical excellence of our future municipal engineers, is sensitive to serving the community and the need for effective communication skills.

Earlier this year, the MEA advised your municipality about its 2021 Bursary Program to assist students enrolling in an engineering program at the university level for the upcoming 2021/2022 academic year. This is the 14th consecutive year the MEA awarded bursaries to children/dependents of municipal employees and elected councillors; over \$145,000 in bursaries have been awarded since the inception of this program. The MEA received numerous applications for the 2021 program and concluded its review process over the summer period.

We are pleased to advise that Will Davey, whose father (Chris Davey) is employed by the County of Huron-Kinloss, was awarded a MEA Bursary in the amount of \$1,500.

We would appreciate if you would make your Council members aware of this award to Will.

Thanks.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "D.M. Cozzi".

D.M. (Dan) Cozzi, P.Eng.
Executive Director - MEA
