

WE IGNITE POTENTIAL

**Big Brothers
Big Sisters**

OF KINCARDINE AND DISTRICT

Big Brothers Big Sisters works with young people in our community who are in need of an additional consistent and supportive developmental relationship. Many young people struggle with societal barriers and face adversities in their lives like poor living conditions, family violence, risk factors for mental health, school issues and identity challenges.

These circumstances have nothing to do with the value of who they are or who they can become, but because of these situations, they risk not having the opportunity to live up to their full potential.

“I always look forward to spending time with my Big Sister, and I wouldn't be who I am today without her. —Little Sister Raelyn

THE POWER OF THREE

Potential is everywhere!

We're stepping up today to support this potential, so that together, we can shape the community of tomorrow. Kincardine may be small but our vision is BIG: That all young people realize their full potential. And our plan is clear: The Family, The Organization, The Big.

The three players that come together to forge a new path forward. We stand together now, because we know the simplest acts create the biggest impact. And these acts can empower potential everywhere!
