Dear Sir:

The West Grey Police Services Board takes very seriously their responsibility to ensure adequate and effective policing services which contribute to their community's safety and the well-being of their local citizens and organizations.

It is with this in mind that we approach you with concerns that have arisen with the enactment of Bill C-75: An Act to Amend the Criminal Code, Youth Criminal Justice Act and other Acts and to make consequential amendments to other Acts.

This Bill received Royal Assent on June 21, 2019 and provides broad changes while guaranteeing an individual's rights and freedoms under the Charter and in particular to reduce delays in the criminal justice system and to make it more modern and efficient.

One of these amendments now promotes the timely release of accused persons with the least onerous conditions that are appropriate in the circumstances. This change was authored to reflect the Charter values of presumption of innocence, the right to liberty and the right not to be denied reasonable bail without just cause.

It is felt that sufficient time has now passed for Police Services, working under the new bail provisions implemented with the passing of Bill C-75, to provide comment on the shortcomings they have identified through their exposure to offender arrest and release and how these unintended consequences adversely affect public safety.

The crafting of this Bill does address the accelerated timeline for release of offenders however in the short time this Bill has been in affect the criminal element has become fully aware that they will be released with minimal consequences. As a result of the foregoing we are seeing residents of our community being victimized by the same offenders. As an example we currently have a number of offender's on bail release at the same time for the same offences.

To further illustrate this point two accused parties in serious and violent intimate partner violence cases have been released with minimal consideration for the safety of the victims. This "catch & release" program diminishes confidence in the administration of justice and does not provide consideration for victims of all crimes.

We would like to thank those who have contributed to the modernization and increased efficiencies to the criminal justice system contained within Bill C-75 and overall we are pleased with the improvements recommended.

The Board is hopeful that the concerns we have raised will be given consideration to minimize the adverse effect that Bill C- 75 will have on policing and public safety and look forward to your response.

Yours Truly,

A handwritten signature in dark ink, appearing to be 'Doug Townsend', with a large, looping flourish extending to the left.

Doug Townsend, Chair
West Grey Police Services Board
