Annual Conference

The ROMA Board is pleased to launch its 2021 virtual conference:

Connecting Rural Ontario, January 25th -26th

Connecting with each other and the province has never been more important. The 2021 virtual ROMA Annual Conference is an opportunity to connect with colleagues and the province and learn from experts on important rural issues. As in previous years the 2021 Conference will feature Minister's Forums, provincial delegation meetings, networking opportunities and much more.

ROMA is pleased to announce Chantal Hébert, national affairs writer for the *Toronto Star*, guest for the magazine *L'Actualité* and a regular commentator on CBC's *The National's* weekly At Issue panel, as the conference opening keynote. Ms. Hébert will examine current, critical policy issues within the national context.

Register today - early bird registration rates will remain in effect until December 31, 2020.
