Recommendation:

That the Township of Huron-Kinloss Committee of the Whole hereby receives for information Report Number TR-2022-03-23 prepared by Jodi MacArthur, Treasurer and accepts the Landfill Closure and Post Closure Cost Estimates 2022 report, prepared by WSP Inc. as presented.

Background:

Liability related to landfill closure and post closure costs are required to be reported on the Township's audited financial statements.

WSP Inc. has provided an updated report. The estimates have not changed significantly from the last update (2020). The estimated closure of the Huron Landfill is still 2030 and the Kinloss site estimated closure remains at 2045.

Financial Impacts:

At this time, our current contribution to reserve is adequate to prepare for the estimated costs related to closure and monitoring. We will continue to evaluate this and recommend any necessary changes as we approach the anticipated closure date.
