Dear Township Clerk Emily Dance,

Just want to share a message with you that I sent the councilors this morning. I would also appreciate it if you would share it with your Township staff as they may not be aware of all the programs and projects we have developed.

In the message I shared with the Councilors today, I sent a link to OFA's Year in Review video. This video was presented to our delegates at our OFA annual meeting late last year. OFA has developed so many projects and programs over the past year and we would be happy to implement and promote them locally!

I understand that this Year In Review video only shows snippets of information about many projects/programs that OFA has been a part of. I am happy to share more information either with you directly or your Township upon request.

The local Grey and Bruce County Federations of Agriculture are currently working towards organizing their annual politician's meeting. OFA is always a big part of that meeting so please keep an eye out for the 'save the date' which will be coming soon, and make sure to register and add it to your calendar. This meeting is also open to staff so please when you see the invite encourage your staff to also participate! The proposed date at the moment seems to land the week following March Break.

The local elected OFA director covering Bruce and Grey County is Paul Vickers. Please if you have questions please reach out to him directly at [paul.vickers@ofa.on.ca](mailto:paul.vickers@ofa.on.ca) or contact me.

Thank you for your time,

Joanne Hughes  
Ontario Federation of Agriculture  
Member Service Representative  
Grey/Bruce
