**Recommendation:**

THAT the Township of Huron-Kinloss Committee of the Whole hereby receives for information, Report Number PW-2022-05-37, prepared by John Yungblut, Director of Public Works.

**Background:**

GIS Student

In 2021, Public Works hired a summer student to assist with developing our GIS program through the University of Waterloo Co-Op program.

Southern Bruce Natural Gas Project

Construction of a natural gas pipeline in southern Bruce County began in 2019. EPCOR is the owner of the project and Aecon Utilities is the Contractor.

**Discussion:**

GIS Student

Matthew Gajewski has been hired through the University of Waterloo Co-Op program to further develop our GIS asset database. Matthew is a fourth year Geomatics student that will be an asset to our GIS program this summer. His work term begins on May 2<sup>nd</sup> and ends on Aug. 19<sup>th</sup>. Matthew will begin his term working remotely, however, we are planning to transition him to in person fieldwork to assist with data collection.

## Southern Bruce Natural Gas Project

Construction of the distribution gasmain resumed in April, primarily in the Point Clark area. Work on the trunk gasmain on Con. 4 is expected to resume within the next couple of weeks.

### **Financial Impacts:**

The GIS student position is partially funded through the Career Ready Program, which will provide up to \$7,000 in funding.

### **Strategic Alignment / Link:**

We are an accessible community by being open and transparent.
