Dear Mr. Twolan,

The Kincardine Nimrod Club would like to invite you to our Open House on Saturday, June 4, 2022. The Kincardine Nimrod Club is a private club established in 1953 to permit members to engage in sport shooting and archery. We hope that you will be able to join us for a period of time between 10:00 am and 3:00 pm to observe and participate in our events. We will have fully qualified instructors to ensure that you have a safe experience shooting a variety of legal firearms or learning about archery. You will also be able to learn about the different types of shooting events we have at the Club. I think you will find it to be very educational and interesting.

We are located at 2334 12th Concession, Huron Kinloss. If you would like to attend, please email Jim Sheppard at jimshep@hurontel.on.ca , and we will ensure that we have a club member greet you and show you around our facility.

Sincerely

Kincardine Nimrod Club Executive
