## Bruce County Breaks Ground on New Paramedic Station in Port Elgin

Construction has begun on the new Bruce County Paramedic Services station in Port Elgin (Saugeen Shores). This facility will serve as the headquarters for Paramedic Services and is located on Bruce County's Lakeshore Hub property.

June 17, 2022

Construction has begun on the new Bruce County Paramedic Services station in Port Elgin (Saugeen Shores). This facility will serve as the headquarters for Paramedic Services and is located on Bruce County's Lakeshore Hub property.

Construction of this approximately \$8M three-bay paramedic station is expected to be completed by the early summer of 2023.

The facility features a paramedic simulator lab for paramedic training, two large meeting rooms that can hold up to 32 people, a large training gym, hoteling workstations for County staff, and rough-ins for two double-head EV charging stations.

The facility is also fully generator supported, adds additional parking spaces to alleviate parking issues at the Lakeshore Hub,

and shifts Paramedic Services administration staff to the new headquarters, allowing for the reallocation of office space at the Walkerton Administration Centre to other departments.

“With easier access to Highway 21, this new facility enhances our ability to provide emergency care in Saugeen Shores and beyond,” says Paramedic Services Chief Steve Schaus. “Having the additional training and meeting space will also expand our training capabilities and support our paramedicine services.”

“This new Paramedic Services station in Port Elgin is a key long-term investment in emergency services for our region. We are ensuring that our County Paramedics are fully equipped with the training tools they need to deliver emergency care and serve Bruce County residents,” said Warden Janice Jackson.

**About Bruce County Paramedic Services**

Bruce County Paramedic Services employs a staff of about 100 Full-time and Part-time paramedics that provide pre-hospital care to citizens and visitors of Bruce County. We respond to medical and trauma emergencies with a fleet of 12 ambulances and 3 supervisor units that are stationed in 7 communities across the County but can be deployed anywhere as needed.
