Councillors:

On behalf of the Royal Canadian Legion (Ontario Br. 440), I am asking for clarification on the Township policy of charging the legion a tipping fee for disposing of a truck load of books in the Huron Landfill.

Prior to this, when a representative of the Legion took a load of disposables to the landfill, we were never charged. I understand that other local Service Clubs were accorded the same privilege.

Has this policy changed? We have not received any notification of this changed.

Thank you for your attention to this matter.

Sincerely,

Ann Barnes Finlayson
Secretary
