21 Queen Street, Box 130
Ripley, ON N0G 2R0

**RE: Rehabilitation of Structure H66 and
Lake Range Drive Culvert**

Tenders were received on Thursday, April 21, 2022 for the above noted project as summarized by the following table:

Tenderer	Total Part 1 Structure H66 (+ HST)	Total Part 2 Lake Range Drive Culvert (+ HST)	Total Part 3 Provisional (+ HST)	Total Tendered Amount (+HST)	Total Tendered Amount (incl. HST)
VanDriel Excavating Inc.	\$329,575.52	\$62,837.02	\$36,586.30	\$428,998.84	\$484,768.69
Shoreline Restoration Ltd.	\$498,765.00	\$193,700.00	\$62,300.00	\$754,765.00	\$852,884.45

As per the tender, this tender is divided into 3 parts. It is the intent of the Owner to award Parts 1 and 3. Part 2 will be reassessed when reviewing tenders and all or any of this part may be deleted.

Both tenders were checked and found to be mathematically correct. They were properly signed and submitted with the specified tender deposit and Agreement to Bond.

Since the project awaits approvals, a definitive start date has not been established. In stream work can only occur between June 15 and September 15.

Since the lowest tender is acceptable contractually, and the tenderer is experienced in structural rehabilitation, further analysis is limited to the lowest bid. Should all three parts be awarded, we are not aware of any reason why the contract should not be awarded to VanDriel Excavating Inc. for the total tender sum of \$484,768.69.

Please retain the tender deposits until the contracts are formally signed. Should you have any questions, please contact the undersigned.

Yours very truly,

B. M. ROSS AND ASSOCIATES LIMITED
