

The Corporation of the Township of Huron-Kinloss

Staff Report

Report Title: Water and Wastewater May 2022

Prepared By: John Yungblut, C.E.T., Director of Public Works

Department: Public Works

Date: May. 2, 2022

Report Number: PW-2022-05-39

File Number:

E08 WAT 22

E08 HUR 22

Attachments: Monthly Water & Wastewater Summary

Recommendation:

That the Township of Huron-Kinloss Committee of the Whole hereby receives for information report number PW-2022-05-39, as prepared by John Yungblut, Director of Public Works.

Background:

Monthly Summary

Veolia Water Canada has prepared a summary of the water and wastewater operations over the past month.

Kincardine Water Supply

The Township has an agreement in place with the Municipality of Kincardine (MoK) that allows us to supply drinking water to their system on a temporary basis. There is a mutual understanding that Huron-Kinloss residents are our first priority if a water supply issue arises during this period.

Discussion:

Monthly Summary

The summary prepared by Veolia Water Canada is attached to this report.

Kincardine Water Supply

Township staff have received a request from the MoK to switch to water supply from the Lakeshore system during reservoir repairs at their water treatment plant that are planned to begin on May 2nd and finished on May 20th. After discussing this request with our Operating Authority, Veolia Canada, Township staff have granted this request. We generally don't see an increased water demand until warmer weather arrives sometime in June, so we don't anticipate any issues.

Financial Impacts:

Our standard practice is to charge a 25% surplus to our metered water rate to the MoK for the use of the Lakeshore water system.

Strategic Alignment / Link:

We are an environmentally conscious community that are good stewards of our natural environment by being aware and taking responsibility.

We are a prosperous community that continues to grow in a sustainable manner by investing in infrastructure.

Respectfully Submitted By:

John Yungblut, C.E.T., Director of Public Works
