Dear Jodi:

**Re: Audit fee proposal**

Thank you for the opportunity to present our proposal.

Our proposed fee for preparation and audit of your Consolidated Financial Report and preparation of the Financial Information Return is \$25,000. for 2022, \$25,500. for 2023 and \$26,000. for 2024 plus HST.

Auditing standards mandated by the Institute of Chartered Accountants regularly change requiring additional or amended procedures and documentation which affect time needed to complete the audit. The fee proposal reflects the requirement to comply with current auditing procedures.

Additional projects requested by the municipality or additional services required for changes in reporting standards would be in addition to the proposed fee for audit services.

Please contact us should you require additional information.

Yours truly
