NOTICE: Biodiversity Study on County Land

Please take notice that from August 18, 2022 to December 30, 2022, scientists contracted by NWMO (Nuclear Waste Management Organization) will be conducting biodiversity field studies on various sections of County Land.

August 30, 2022

Please take notice that from August 18, 2022 to December 30, 2022, scientists contracted by NWMO (Nuclear Waste Management Organization) will be conducting biodiversity field studies on various sections of County Land.

Scientists will be collecting data for aquatic and terrestrial ecosystems, attributes, species abundance and distribution, and potential habitats for local species of interest. County trails will remain open to the public during this biodiversity study. Signage will be in place. The sites are located on Concession 15, 13, 1, and 2 in Culross Township, within the study area for the NWMO's South Bruce deep geological repository site.

If you live in this area and are interested in allowing scientists onto your property to collect these data, please contact sbenvironment@nwmo.ca, or by calling 416-419-0810

Thank you for your understanding.

September at Bruce County Public Library

As everyone prepares for fall and kids to return to school, Bruce County Public Library Branches have released their September program schedules, featuring exciting activities and programs for every age.

September is for celebrating Culture Days! Bruce County Public Library Branches are bringing back their wildly popular 'Tiny Art Projects' to celebrate. Culture Days are a national celebration of arts and culture in Canada, aiming to remove the barriers and create free opportunities for the public to participate in arts and cultural experiences. Join fellow artists to create your piece of tiny art. You may choose for your art to be part of our travelling Tiny Art Show from September 23 to October 16. Visit the Library [event page](#) to find out when your local branch will host its Tiny Art Projects program.

 Show Me How

Science literacy week will be taking place from September 19 to 25. This year's theme is Mathematics. Stop by any branch to pick up a package containing a take-home activity.

Bruce County Public Library's 3D printers will finish their time at the Southampton, Tara, and Sauble Beach Branches before moving in October. Each branch will be holding programs to help patrons get familiar with 3D printing.

After School Club is returning to Tara and Chesley on Tuesdays at 3:30pm and will be a brand new program Mildmay this year. This drop-in program is suitable for ages 5-12.

September will be closing out by recognizing Truth and Reconciliation Day. The Library honours First Nations, Inuit and Métis Residential School survivors. Share your expressions of support and learn about the Calls to Action with our in-branch activity this week. Join Priscilla Yellowhead at the Tobermory Branch at 1:30pm for a story telling and drumming ceremony. Please stop by the Truth and Reconciliation displays at each branch to learn more about this important day.

There are many ways to stay updated on what is happening at your local branch. Bruce County Public Library posts daily on its [Facebook](#) and [Instagram](#) stories and sends out a [monthly newsletter](#), or you can visit their always current [events page](#).

Welcoming Week is returning to Grey Bruce this month

Welcoming Week is a global initiative that encourages individuals and communities to spread the message of inclusion and collective prosperity.

GREY BRUCE
LOCAL IMMIGRATION
PARTNERSHIP

September 01, 2022

Canada became a member of Welcoming International in 2020. Welcoming Week is a global initiative that encourages individuals and communities to spread the message of inclusion and collective prosperity. It is an annual opportunity to recognize and celebrate the people, places and values that help everyone feel welcome and that they belong in their local community, no matter where they come from.

“Through Welcoming Week, our communities bring together neighbours of all backgrounds to build strong connections and encourage the importance of welcoming. Ensuring everyone, especially newcomers and immigrants, can thrive and feel welcome in Bruce County and Grey County,” said Bruce County Warden Janice Jackson.

From Friday, September 9 to Sunday, September 18, the Grey Bruce Local Immigration Partnership (GBLIP) is coordinating and

collaborating with community partners in hosting a variety of virtual and in-person events and activities for newcomers to learn about their communities and connect with long-time residents, as well as educational and informative videos about how to make Grey Bruce more welcoming will be featured on the GBLIP website.

Some of the activities include:

1. [Grey Roots Museum and Archives](#) pay-by-donation day on Saturday September 10, with shuttle service provided by Grey Transit Route
2. Complimentary day passes for newcomer families to visit [Bruce County Museum and Cultural Centre](#) on Saturday September 17 that include a guided tour
3. Grey Bruce Settlement and Language Services is hosting two virtual community connect events
4. Your Cultural Story (Monday, September 12, 6:00 PM to 7:00 PM)
5. Citizenship Trivia (Thursday, September 15, 6:00 PM to 7:00 PM)
6. Grey Bruce Newcomer and Immigrant Women's Collective is hosting a virtual social gathering on Sunday, September 18 from 7:00 PM to 8:00 PM.

“Making social connections is one of the first steps towards planting your roots in a community. I encourage families and individuals who are new to our communities to enjoy the Welcoming Week festivities and take the opportunity to meet new people and learn about our local history and culture,” adds Selwyn Hicks, Warden of Grey County.

Events calendar and updates for Welcoming Week 2022 can be found at <https://greybrucelip.ca/welcoming-week-2022>, or contact May Ip at May.Ip@grey.ca for more information.

In 2020, Bruce and Grey Counties received funding from Immigration, Refugees, and Citizenship Canada (IRCC) to administer GBLIP - a collaborative, community initiative designed to improve the integration of newcomers in Grey Bruce. The GBLIP Settlement Strategy 2025 includes four strategic priorities and was the outcome of consultations with over 60 community stakeholders. It is adhered to by the Local Immigration Partnership Council that currently consists of 57 members.

Bruce County Museum & Cultural Centre announces new roster of fall programming

This week, the Bruce County Museum & Cultural Centre launches its latest roster of exhibits, events, and programming for the fall 2022 season, including some brand new offerings and a few favourites with a seasonal twist.

September 06, 2022

This week, the Bruce County Museum & Cultural Centre launches its latest roster of exhibits, events, and programming for the fall 2022 season, including some brand new offerings and a few favourites with a seasonal twist.

Opening September 17, Small Town Ontario Streetscapes by Niagara artist Mary Burke will feature a collection of oil-based artworks, capturing the unique character and charm of main streets. On October 1, just in time for Pumpkinfest, the Museum's Farm Fresh exhibit will open, highlighting the history of farming and agriculture in Bruce County.

Throughout the fall, kids will enjoy special themed PA Day programming and movie days in the Bruce Power Theatre.

Part two of the Museum’s new Break Out of the Bruce bus trip series presented by New Horizons for Seniors will take attendees to Grey Roots & Simcoe County Museums. Closer to Halloween, the Museum will open its doors for the much-anticipated Night of 100 Brides.

“It’s a fun twist on our annual mixer event this season, giving guests a second chance for a night out in their old wedding dress, bridesmaid dress or formal attire,” says Museum Program Coordinator Evan Vatri. “We’ll be hosting a best-of-the-era fashion show contest, a live DJ, Tarot readings, and a presentation showcasing some of the rarely-seen dresses we have in the Museum’s collection.”

For full fall listings and registration and membership details, visit brucemuseum.ca
